Roles & Responsibilities

JustGrants Entity User Roles

Six foundational roles have been created to ensure Entity Users have the authority and ability to carry out specific requirements and tasks.

Entity Administrator

Confirms information in the Entity Profile is current. Manages entity users, including user role assignments in DIAMD, and specific application and award-level assignments in JustGrants.

Application Submitter

Completes and submits applications on behalf of an entity, including Entity Assurances and Certifications.

Authorized Representative

Must possess legal authority within an entity to accept awards. This action binds the entity to the award terms and conditions.

Grant Award Administrator

Submits programmatic-related award requirements, including Performance Reports, certain GAMs, and portions of the Closeout.

Alternate

Grant Award Administrator

Provides support to the Grant Award Administrator. Can initiate, but not submit, programmatic-related award requirements including GAMs.

Financial Manager

Certifies and submits financial information and all Federal Financial Reports on behalf of an entity.

Questions & Answers

Application Submission

Application Submission Overview

Applicants have two application submission deadlines:

- Grants.gov (submitting the SF-424 and SF-LLL)
- **JustGrants**

Check the solicitation for details about the deadline range.

A JustGrants submission should include all items as defined in the solicitation.

The application in JustGrants is customized per the requirements of the solicitation. Your application will have specific requests.

Application Submission: Grants.gov

Grants.gov

Grants.gov provides instructions on registering and submitting, with guidance through the process:

- Register
- **User Roles**
- How to Search for a Federal Grant
- What's in a Grant Opportunity?
- Intro to Applying on Grants.gov

Grants.gov continued

DOJ applications require you to complete two things:

The Application Package in Grants.gov

- 1) Select **Apply for Grants** under the Applicants column.
- Enter your email address to be notified of any changes to the opportunity package before the closing date.
- 3) Click the Workspace icon to use Grants.gov.

The SF-424 and SF-LLL on Grants.gov

Within 48 hours of SF-424 and SF-LLL submission, you should receive four (4) notifications from Grants.gov.

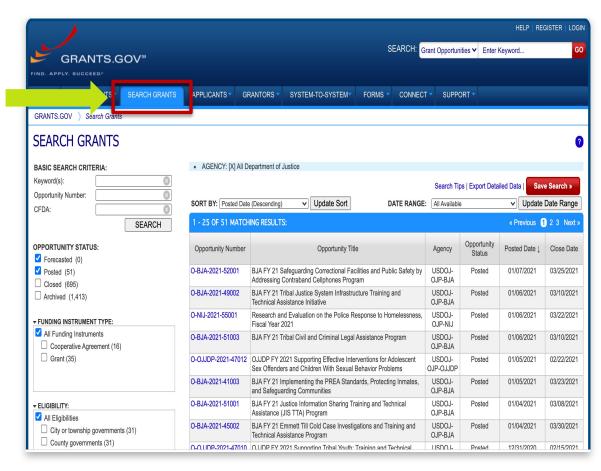

- 1. Application Received
- 2. Validated
- 3. Agency Retrieved
- 4. Agency Tracking Number Assigned

Grants.gov: Funding Opportunities

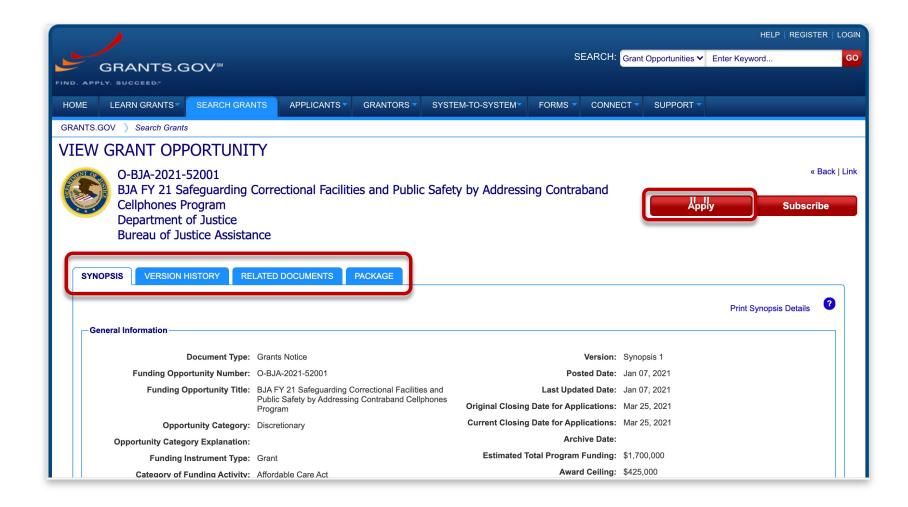

To locate a funding opportunity with DOJ, start at the Search Grants tab.

Then use filters to narrow your search:

- **Opportunity Status**
- **Funding Instrument Type**
- Eligibility
- Category
- Agency

Grants.gov: Applying

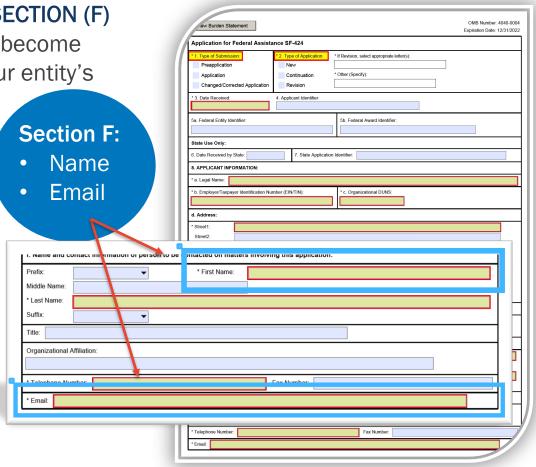

The SF-424 in Grants.gov

The SF-424 Form

The **person** and **email** listed in **SECTION** (**F**) of the SF-424 will automatically become the Application Submitter for your entity's application.

The Application Submitter is the ONLY user able to complete the application in JustGrants unless the EA reassigns it AFTER submission in Grants.gov.

Track and check the status of your submitted applications

To track Grants.gov submissions, enter up to five Grants.gov tracking numbers, one per line and click the "Track" button. (Example format: GRANT99999999)

Please note, this only confirms that an application was successfully retrieved by the awarding agency. Thereafter in the process, the awarding agency reviews and processes the applications independent of Grants.gov, and they do not report the status to Grants.gov.

Grants.gov

It is possible to first receive an email from Grants.gov indicating that your application has been received, but then later receive a rejection notice.

Submitting your SF-424 and SF-LLL well ahead of the Grants.gov deadline provides time to correct any problem(s) that cause rejection.

Grants.gov will assign a tracking number that will connect to your JustGrants Application number.

What to Expect After Submitting an Application

The entity will be notified that they have received an award when all applications for the solicitation have been reviewed before September 30.

All entity users should check the system regularly so that any upcoming deadlines for submitting applications and documentation are addressed in a timely manner.

Application Case Status Codes

JustGrants System Notifications

The system will notify:

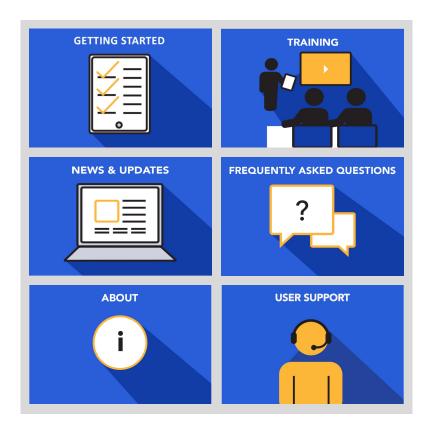

- The Application Submitter, Entity Administrator, and Authorized Representative when the application is received in JustGrants from Grants.gov.
 - The Entity Administrator when the award notification has been sent.
 - The **Entity Administrator** and **Authorized Representative** when the deadline for applications has changed.
